

Reminder of Transfer Station's New Operating Hours

On October 1, 2018, operating hours and days changed at our four Transfer Stations. The majority of users have embraced these changes, however there are always some who have forgotten about the new hours and days. Updated signage has been placed at the entrance of each site, but in order to save customers traveling to the site, only to arrive when it is closed, we are once again sharing the days and hours here.

Please clip out this section and keep it for future reference.
