Notice: Once your request is approved, BMS will provide a Waste Permit and a Manifest. A copy of the signed manifest must be included with each load delivered to the landfill. A scale ticket will be provided to each driver once they exit the landfill. It is the responsibility of the Permit Holder to collect the scale tickets from their drivers / contract haulers. Invoices are issued monthly by BMS and will include a summary of the loads delivered to the landfill.

If you require, BMS will provide a detailed hauling summary each Monday that includes information for the previous week (reports will be provided Tuesday when Monday is a holiday). Please indicate below if you require this summary and provide the name and email address for authorized recipients.
