

Unanimous Shareholder Agreement

UNANIMOUS SHAREHOLDER AGREEMENT

This agreement is about establishing control and accountability provisions. A Unanimous Shareholder Agreement (USA) is a document that outlines shareholder rights, obligations shareholders have to each other, and allows shareholders to assume a greater deal of control over the management and operation of a corporation.

In a corporation without a USA, the Board of Directors manages all affairs of the corporation, including key financial, organizational, and business decisions. A USA counteracts this dynamic and allows shareholders to assume greater control in agreed upon key areas.

A USA is especially important for Claystone Waste Ltd. because it would be a municipally controlled corporation acting as the general partner of the Claystone Waste Limited Partnership, and accordingly must remain accountable to its municipal shareholders and the residents of the Beaver Region. A key benefit of the Claystone Waste proposal is that it allows for greater municipal control than does the existing regional services commission structure. The USA is how this control is accomplished.

KEY PROVISIONS

ESTABLISHES MUNICIPAL SHAREHOLDER CONTROLS

The USA dictates that in certain key matters, decisions will not be made by the Board of Directors, but rather will go back to each municipal council for approval, allowing direct resident input.

For instance, the USA dictates that any changes related to utility rate structures that residents pay for waste management services must be approved by the municipal shareholders through annual business plans, or by unanimous consent if not part of the annual business planning process.

The USA also allows for municipal shareholder oversight in financial and operational decisions. Unless already approved by the municipal shareholders through the business planning process, the USA dictates that any new operational or capital expenditures or debt financing, or any other matters that reflect a material change in Claystone’s business, must receive consent of the municipal shareholder councils.

PROMOTES PUBLIC ACCOUNTABILITY

The USA establishes the process for public accountability measures including annual general meetings of the municipal shareholders where audited financial statements must be presented, where new business plan items must be approved, and where board appointments can be considered.

PROTECTS SERVICE LEVELS AND RATE STRUCTURES FOR RESIDENTS AND BUSINESSES

The USA guarantees that current service levels and rate structures for residents and businesses are maintained throughout the proposed transition to Claystone Waste. The USA further dictates service levels and rate structures are reviewed every five years and that any proposed changes must receive unanimous consent from all municipal councils.

The Unanimous Shareholder Agreement is between all shareholder municipalities and outlines shareholder rights, establishes control provisions for municipal oversight, and helps ensures the operations of Claystone Waste are conducted in the public interest.

The Shareholders/Limited Partners agree and acknowledge that the initial distribution of shares, set out in paragraph K of the Preamble, reflects the following principles:

(a) Dividend Shares

- (i) *Equal Number of Shares* – One third (1/3) of the aggregate fifteen thousand (15,000) Dividend Shares shall be held by all of the Municipalities on an equal basis, regardless of population or volume of Waste contributed and that, as of the date of this Agreement, this results in five thousand (5,000) Dividend Shares being distributed as follows:

Shareholder/Limited Partner	# of Dividend Shares
Beaver	1,000
Holden	1,000
Ryley	1,000
Tofield	1,000
Viking	1,000

Shareholder/Limited Partner	# of Dividend Shares
TOTAL	5,000

- (ii) *Proportionate Shares* – Two thirds (2/3) of the aggregate fifteen thousand (15,000) Dividend Shares shall be held by the Municipalities based on their respective population as compared to the region as a whole, determined in accordance with the Proportionate Population Formula, and that, as of the date of this Agreement, this results in ten thousand (10,000) Dividend Shares being distributed as follows:

Limited Partner	Population	Percentage of Population	# of Dividend Shares
Beaver	5,905	59.63%	5,963
Holden	350	3.53%	353
Ryley	483	4.88%	488
Tofield	2,081	21.02%	2,102
Viking	1,083	10.94%	1,094
TOTAL	9,902	100%	10,000

- (b) Voting Shares – The number of Voting Shares as issued to each Shareholder/Limited Partner.

7.08 Adjustment of Share Distribution

- (a) upon the occurrence of a municipal census and every municipal census thereafter, the Shareholders/Limited Partners shall update the foregoing chart in Section 7.07(a)(ii) hereof, by recalculating the Proportionate Population Formula and multiplying the calculated percentage by the 10,000 Proportionate Shares. Upon each such recalculation of the Proportionate Population Formula, the Shareholders/Limited Partners shall redistribute the Proportionate Shares of Dividend Shares amongst themselves such that the percentage of Proportionate Shares of Dividend Shares held by each Shareholder/Limited Partner is equal to the percentage determined by the Proportionate Population Formula.
- (b) after the redistributions contemplated in Section 7.08(a) hereof, the Parties shall ensure that no more than the 10,000 Proportionate Shares of Dividend are held by the Shareholders/Limited Partners.

7.09 Dissolution/Acknowledgment

In the event of a Dissolution/Amalgamation, notwithstanding anything else to the contrary herein, the Shares formerly held by those affected by the Dissolution/Amalgamation shall be dealt with as follows:

- (a) As the Shareholders/Limited Partners have always intended that one third (1/3) of the Dividend Shares shall be held equally by each of the Shareholders/Limited Partners, one thousand (1,000) Dividend Units of the former Shareholder/Limited Partner shall be cancelled and terminated, resulting in one third (1/3) of the Dividend Shares shall be held equally by each of the remaining Shareholders/Limited Partners;
- (b) Those Dividend Shares as issued to the former Shareholder/Limited Partner in Section 7.07(a)(ii) hereof shall be transferred to that Shareholder/Limited Partner that is the “new municipal authority” as a result of the Dissolution/Amalgamation, as that term “new municipal authority” is defined in the MGA; and
- (c) Those Voting Shares as issued to the former Shareholder/Limited Partner in Section 7.07(b) hereof shall be transferred to that Shareholder/Limited Partner that is the “new municipal authority” as a result of the Dissolution/Amalgamation, as that term “new municipal authority” is defined in the MGA.

1. Definitions

In this Schedule, in addition to terms defined elsewhere in the Agreement, the following words and phrases have the following meanings:

- (a) "**Arbitrator**" means the person appointed to act as such to resolve any Dispute;
- (b) "**Arbitration**" means a process whereby each of the Parties, with or without legal counsel, agrees to jointly engage and meet with an Arbitrator who will render a binding decision in respect of any Disputes;
- (c) "**Disclosed Information**" means the information disclosed by a Party for the purpose of settlement, negotiation, Mediation or Arbitration;
- (d) "**Dispute**" means any matter that the Parties are unable to resolve themselves, which includes but is not limited to a difference of opinion, differing interpretation or a divergence of interest. Notwithstanding this, an Event of Default is not a Dispute for the purposes of this Schedule;
- (e) "**Mediation**" means a process whereby a Representative of a Party, with or without legal counsel, agrees to jointly engage the services and meet with a Mediator to participate in a mediation, conciliation or similar dispute resolution process;
- (f) "**Mediator**" means the person appointed to facilitate the resolution of a Dispute between the Parties;
- (g) "**Representative**" means an individual who has no direct operational responsibility for the matters comprising the Dispute, who holds a senior position with a Party and who has full authority to settle a Dispute.

2. Principles of Dispute Resolution

The Parties acknowledge and agree that:

- (a) in any business relationship a difference of opinion or interpretation or a divergence of interest may arise;
- (b) The Parties are committed to resolving any disputes in a non-adversarial, informal and cost efficient manner;
- (c) the following process shall apply in respect of Disputes which are either referred to, or are required by the terms of this Agreement to be resolved in accordance with, the Dispute Resolution Procedure; and
- (d) the Parties shall make all reasonable efforts to resolve all Disputes by negotiation and agree to provide, without prejudice, open and timely disclosure of relevant facts, information and documents to facilitate these negotiations as further contemplated within this Schedule.

3. **Dispute Process**

In the event of any Dispute, the Parties agree that they shall undertake a process to promote the resolution of a Dispute in the following order:

- (a) first, by negotiation;
- (b) second, by way of Mediation; and
- (c) third, if agreed to mutually by the Parties, by Arbitration.

Negotiation, Mediation or Arbitration shall refer to, take into account, and apply the intentions and principles stated by the Parties within the Agreement.

4. **Negotiation**

A Party shall give written notice ("**Dispute Notice**") to the other Parties of a Dispute and outline in reasonable detail the relevant information concerning the Dispute. Within seven (7) days following receipt of the Dispute Notice, the Parties shall each appoint a Representative, who shall meet and attempt to resolve the Dispute through discussion and negotiation. If the Dispute is not resolved within thirty (30) days of the appointment of a Representative by each Party, the negotiation shall be deemed to have failed.

5. **Mediation:**

- (a) If the Representatives cannot resolve the Dispute through negotiation within such thirty (30) day period, then the Dispute shall be referred to Mediation.
- (b) In such event, any Party shall be entitled to provide the other Parties with a written notice ("**Mediation Notice**") specifying:
 - (i) the subject matters remaining in Dispute, and the details of the matters in Dispute that are to be mediated; and
 - (ii) the nomination of an individual to act as the Mediator.
- (c) The Parties shall, within thirty (30) days of the Mediation Notice, jointly nominate or agree upon a Mediator.
- (d) Where a Mediator is appointed, the Parties shall submit in writing their Dispute to the Mediator, and afford to the Mediator access to all records, documents and information the Mediator may reasonably request. The Parties shall meet with the Mediator at such reasonable times as may be required and shall, through the intervention of the Mediator, negotiate in good faith to resolve their dispute. All proceedings involving a Mediator are agreed to be without prejudice, and the cost of the Mediator shall be shared equally between the Parties.
- (e) In the event that
 - (i) the Parties do not agree on the appointment of a Mediator with thirty (30) days of the Mediation Notice;

- (ii) the Mediation is not completed within thirty (30) days after the appointment of the Mediator; or
- (iii) the Dispute has not been resolved within sixty (60) days from the date of receipt of the Dispute Notice;

any Party may by notice to the others, withdraw from the Mediation process and in such event the Dispute shall be deemed to have failed to be resolved by Mediation.

6. **Arbitration:**

- (a) If Mediation fails to resolve the Dispute, the Dispute shall be submitted to binding Arbitration. Any of the Parties may provide the other Parties with written notice ("**Arbitration Notice**") specifying:
 - (i) the subject matters remaining in Dispute and the details of the matters in Dispute that are to be arbitrated; and
 - (ii) the nomination of an individual to act as the Arbitrator.
- (b) Within fourteen (14) days following receipt of the Arbitration Notice, the other Party shall, by written notice, advise as to which matters stated in the Arbitration Notice it accepts and with which matters it disagrees and shall also advise whether it agrees with the resolution of the disputed items by Arbitration, and whether it agrees with the Arbitrator selected by the initiating Party or provide the name of one Arbitrator selected by that other Party. Should the Parties fail to agree to resolve any disputed items by Arbitration, this Dispute Resolution Process shall come to an end.
- (c) Subject to agreement of the Parties to resolve any disputed items by Arbitration as contemplated above the Parties shall, within thirty (30) days of the Arbitration Notice, jointly nominate or agree upon an Arbitrator.
- (d) Should the Parties fail to agree on a single Arbitrator within the fourteen (14) day period referred to above, then any Party may apply to a Justice of the Court of Queen's Bench of Alberta to have the Arbitrator appointed.
- (e) The terms of reference for Arbitration shall be those areas of dispute referred to in the Arbitration Notice, and the receiving Party's response thereto.
- (f) The Arbitrator shall conduct the Arbitration in accordance with the commercial arbitration rules (the "**Rules**") established from time to time by the ADR Institute of Canada Inc., unless the Parties agree to modify the same pursuant to any arbitration agreement. The Arbitration Act (Alberta) shall apply to all Arbitrations but if there is a conflict between the Rules and the provisions of the Act, the Rules shall prevail. Notwithstanding the foregoing, any such Arbitration shall be conducted in the English language.
- (g) The Arbitrator shall proceed to hear and render a written decision concerning any Dispute within:
 - (i) forty-five (45) days, if the subject matter of the Dispute is less than \$250,000.00; or

- (ii) ninety (90) days, if the subject matter of the Dispute is greater than \$250,000.00.
- (h) The Arbitrator has the right to award solicitor-client costs against the unsuccessful Party and to award interest but does not have the right to award punitive, consequential or other exemplary damages.
- (i) The Arbitrator's decision is final and binding but is subject to appeal or review by any court of proper jurisdiction only with respect to an allegation of fraud.
- (j) Judgment upon any award (an "**Award**") rendered in any such Arbitration may be entered in any court having jurisdiction thereof, or application may be made to such court for a judicial acceptance of the Award and an enforcement order, as the laws of such jurisdiction may require or allow.
- (k) The Parties acknowledge and agree that, where a Dispute involves a claim for injunctive relief, a Party may refer such matter to Arbitration in accordance with this Schedule or apply to the appropriate court for relief.

7. Participation

The Parties and their Representatives will participate in good faith in the negotiation, Mediation and, if applicable, Arbitration processes and provide such assistance and Disclosed Information as may be reasonably necessary.

8. Location

The place for Mediation and Arbitration shall be within the City of Edmonton, or such other location as the Parties may agree.

The executive director shall be requested to make this determination within five (5) days of receipt of the request.

10. Costs

Subject to clause 6(h) of this Schedule, in the case of an Arbitration, the Parties shall bear their respective costs incurred in connection with the negotiation, Mediation and, if applicable, Arbitration except that the Parties shall equally share the fees and expenses of the Mediator and Arbitrator and the cost of the facilities required for Mediation and Arbitration.

11. Disclosed Information

All Disclosed Information shall be treated as confidential and neither its delivery nor disclosure shall represent any waiver of privilege by a Party disclosing such Disclosed Information. Subject only to the rules of discovery, each Party agrees not to disclose the Disclosed Information to any other Person or for

any other purpose. Such Disclosed Information cannot be used in any subsequent proceedings without the consent of the Party who has made the disclosure. The Parties agree that any Representative, Mediator and, if applicable, Arbitrator shall not be subpoenaed or otherwise compelled as a witness in any proceedings for the purpose of testifying with respect to the nature or substance of any dispute resolution process that may arise in relation to any matter that is a subject of this Agreement. Nothing in this Dispute Resolution Procedure shall require a Party to disclose information that is subject to confidentiality provisions with third parties
