Dear Mr. Ducherer and Board:

Thank you for the commission's letter of March 10, 2022, regarding the disestablishment of the regional service commission known as Beaver Regional Waste Management Services Commission.

I am pleased to advise that I have updated the list of commissions under the attached Ministerial Order No. MSD:022/22 to remove the Beaver Regional Waste Management Services Commission.

This finalizes your compliance with the legislative requirement for disestablishment under the *Municipal Government Act* and the transfer of governance, assets, obligations, contracts, licences, human resources, and service delivery to Claystone Waste Ltd.

If you have questions regarding the legislative framework for regional services commissions, please contact Municipal Affairs to speak with a collaboration advisor, toll-free by first dialing 310-0000, then 780-427-2225.

I commend the work of the board and commission in support of providing waste services in the region.

Sincerely,
